## **Big Game Movie**

Content is still king. With Dalian Wanda Group's \$3.5 billion acquisition of Legendary Entertainment in January, this year's media and entertainment M&A activity kicked off with a bang that hasn't slowed down. Comcast's \$3.8 billion acquisition of DreamWorks Animation just three months later continued the trend of content consolidation and IP aggregation. Both transactions have [...]

## **League Of Legends 'Ekko Seconds'**

The rest of 2016 should continue to see plenty of activity across the media and entertainment space as companies brace for the future of mobile and digital consumption trends. Consolidation of content and the need for diversification in the digital environment will fuel interest from traditional

players like telcos and major studios. Investment from China
